Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing  
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families/carers by:

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Working in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

It is with great sadness that we are sharing our devastating news. R.I.P. Naomi.

On Friday 03/05/2024, we lost a very dear friend of ours, R.I.P. Naomi McKeown who sadly passed away at just 16 years of age.

Naomi was a very much loved Blessing in Disguise team member for over 3 years. She was a whirlwind of energy and always full of life.

A group of cheerleaders with special abilities from Salford have achieved an incredible feat by winning gold medals in Florida. This team, which consists of 11 cheerleaders with special educational needs and disabilities. Their remarkable journey led them to compete in the prestigious World Cheerleading Championships in 2024. We are filled with immense pride to announce that Maddie, one of our service users, was a member of the team. This serves as a powerful testament to the fact that one's abilities should be valued over any perceived disabilities.

With your kind support, Blessing in Disguise has provided the following equipment/services:

Mobility and walking aids, special needs wheelchairs, buggies & accessories; high chairs, low chairs, posture seating; communication aids and adaptations, monitoring equipment; specialist beds & bedding; safety equipment; Lock-down activity and support packs; social links & networking during lock-down; various home equipment, furniture; Christmas grotto, Easter eggs & toys; dark dens & sensory equipment; communication ICE badges, lanyard and wristbands; disabled swim therapy sessions; family respite breaks & family days out; specially adapted fun fair and exclusive access for disabled children.. plus much, much more...
